I. PURPOSE

- A. **Establishing a Furlough/Leave Program.** The purpose of this policy and procedure is to establish guidelines governing the eligibility of inmates to be granted furloughs or leaves prior to the completion of their sentence and to establish a Wyoming Department of Corrections (WDOC) Furlough/Leave Program in accordance with state law. This program is intended to assist the inmate in preparing for successful re-entry into the community by having available the opportunity to maintain and/or re-establish family ties; provide for emergency leave to support family members during bereavement or serious illness; and finalize plans prior to release or parole.

II. POLICY

Administrative decisions by CEOs or the Director concerning program participation are discretionary and are not subject to appeal. Participation is a matter of privilege and is not a right. Furloughs or supervised leaves may be terminated by the CEO of the institution or the Director at any time.

III. DEFINITIONS

- A. **Chief Executive Officer (CEO):** A CEO is identified, but not limited to, the following positions: Director, Deputy Director, division administrators,

deputy administrators, wardens, district supervisors, adult community corrections coordinator, and adult community corrections directors.
